

Dear holidaymakers,

The campsite La Grainetière***** is delighted to welcome you this summer.

As we're waiting for the government new statement, we don't know yet what kind of paper regarding Covid-19, we will have to ask you on your arrival.

As soon as we have more information, we will change this note on our website.

In the meantime, we want to remind you that you can still subscribe to the cancelling insurance when you book your holidays.

This insurance will cover you if you get sick with Covid-19.

But we want to inform you that unfortunately, the insurance won't work if there's a lockdown or if the borders are closed, then we will see ourselves to refund you on our own or postpone your stay if possible.

La Grainetière*****'s team
